LaunchPoint

Rise to the challenge of your next career move.

Ready for a REAL CAREER MOVE?

LaunchPoint doesn't just help you get a job; we help you start a career. From trucking to healthcare to manufacturing and more, we partner with you to help you get the training and job placement you need to succeed.

But we don't stop there: LaunchPoint is the only workforce development program in the area to also offer complete, culturally-infused wraparound services — from transportation to childcare. We tear down every barrier that keeps you from taking care of your family the way you want to.

There are thousands of job openings in Stark County.
