WHAT IS RESIDENT SERVICES?

Resident Services is a department at SMHA which consist of professionals who are here to serve YOU. Our dedicated team is ready to assist with any need (programs or services) the individual or family has in order to become self-sufficient. Our team will coordinate services by linking the individual or family to partners who are experts in that area of need. Resident Services has connections and partnerships that can make your experience beneficial to you.

Examples of what we do include; coordinate on-site service providers (YMCA, Mobile Meals, Food Bank, Stark County Library, Urban League, Direction Home, Community Building Partnerships, Goodwill, Stark County Community Action Agency, Cleveland Clinic, Stark Parks, etc.), provide monthly newsletter, provide training for resident councils, family self-sufficiency program, job training, education assistance and referrals, certification assistance/training and referrals, summer programs including summer lunch, assistance with food and clothing, YMCA vouchers, and bus passes (for education and employment).

Contact us at rs@starkmha.org or call 330.454.8051 Ext. 309 for more information.

DIRECTOR'S MESSAGE

I hope everyone is enjoying the summer. In this newsletter I am encouraging all SMHA residents to participate in the Jurisdiction Wide Resident Council. In addition, please participate in the resident councils which have already been established at some of the buildings/sites. Of course, if no resident council is currently established, I encourage residents to organize at your site and create a resident council.

SMHA is responsible to help with resident councils and have staff dedicated to this effort. SMHA has resources to assist with planning and operating a resident council. If you have interest, Please reach out to the Resident Services Department and help SMHA make a difference.

Sincerely
 Jeff Patterson, CPA(inactive), MBA
