About Us

Your CHW Can Help You:

Grab

Knowledge of resources, services & tools.

Go

Clear your Pathways by utilizing the knowledge you learn to obtain resources, services & tools while advocating for yourself, family & community.

Grow

A healthier you & a healthier community.

Your CHW can connect you to resources for housing, transportation, education, medical care, baby items, & much more.

You CHW will *support, empower, encourage* and *advocate* for you. They will assist you with decision making while connecting you to resources and services within Stark County.

The Community Action Pathways HUB is a *free* program for pregnant & postpartum women in Stark County.

We connect you to one of our Community Health Workers (CHWs) that assist you through pregnancy until your child's first birthday.

Are you pregnant or recently had a baby and could benefit from being connected to community services and support?

Take advantage of this FREE program. Concerned about eligibility? Don't be, if you are pregnant & you live in Stark County then *you are eligible*.
